ZURO 80 CONGLOMERATE WASHBASIN

KOLLEKTION ZURO

PRODUKTCODE:	K11-0115

Produktbeschreibung

A modern rectangular washbasin with an overflow outlet and central opening for fittings. This model is made of agglomerated marble – a durable material that is smooth and warm to touch. Its characteristic feature is a deep, semi-circular bowl flush-mounted in furniture tops. After mounting, only the 1.5 cm wide washbasin edge is visible.
