

## ENTER FLUSH BUTTON WHITE

### [KOLLEKTION ENTER](#)

PRODUKTCODE:

K97-365

### Produktbeschreibung

The simple and attractive design of ENTER flush button distinguished it among others. This model comes with large rectangular push buttons at an angle in relation to the frame and the wall. Its slight inclination ensures convenient operation. The flush button is made of white plastic. It is designed for HI-TEC and LINK WC concealed systems.
