

NIKE 140 BATHTUB RECTANGULAR

[KOLLEKTION NIKE](#)

PRODUKTCODE:

S301-245

Produktbeschreibung

The NIKE 140 bathtub features an ergonomic oval design with installation locations for fittings. Such features as its profiled interior and slightly inclined backrest ensure comfort of bathing. The corner edges can be used as a utility space where bathing spare parts can be stored on an ongoing basis. This bathtub comes with a side water outflow, located by its longer side. This bathtub is available with adjustable feet. Fitted casing and partition can be purchased separately.
