

IBU WALL HUNG CABINET

KOLLEKTION IBU

PRODUKTCODE:

S911-006

Produktbeschreibung

The wall-hung IBU cabinet is delivered as a self-assembly kit. Its convenient shelves accommodate all necessary cosmetics and its white finish matches various types of bathroom arrangements, i.e. classic and modern. The soft-close system protects against damage caused by contact between doors and cabinet body. This cabinet is made of durable MDF board resistant to water and steam.
